

Transport/Plant Manager - Job Specification

3b construction is a family-owned business, which operates nationally. We have bases near Ayr and Newton Stewart. This vacancy is based at our Minishant Office, Ayr and will predominantly be office based.

We are a fast-paced growing construction company which operates its own fleet of lorries to provide internal support to sites, support to our 3b crane hire division and also an external hire service. 3b currently has a fleet of 9 lorries, 7 trailers, 7 mobile cranes and an extensive range of plant and equipment.

This vacancy is for a transport/plant manager to be based at our Minishant depot working closely with our crane hire division to arrange all aspects of transport and also assist our Crane Hire Manager.

This role would suit a confident, outgoing person, capable of working in a fast-paced environment and multi-tasking. Must be self-motivated and able to work from own initiative.

Main Responsibilities:

- To operate our fleet as per our Operators Licence and ensure compliance with VOSA requirements
- Plan daily lorry movements in order to maximise our resource and ensure seamless provision of plant and materials to sites as required
- Track all plant and arrange servicing
- Provide excellent customer service and assist with growing our customer base
- Provide support to our crane hire division

Essential Attributes:

- Previous experience in a similar role preferable
- Good knowledge of the transport sector and legal requirements of running a fleet
- Good knowledge of the construction sector including types of plant and materials
- Excellent communication skills and be a team player
- Basic knowledge of Microsoft Office packages
- Ability to work from own initiative
- To be honest, discreet and trustworthy

Training will be provided to suitable candidate.

This is a full time permanent position and a competitive salary is available to the right candidate.
